Watch the Me to We Video

## About Us

Me to We is an innovative social enterprise that provides people with better choices for a better world. We offer socially conscious and environmentally friendly products as well as life-changing experiences. Me to We measures the bottom line, not by dollars earned, but by the number of lives changed and the positive social and environmental impact made. Half of Me to We's net profit is donated to Free The Children. The other half is reinvested to grow the enterprise and its social mission.
