Work for the 2012-2013 School Year

1. Define the requirements for a Global Scholars Diploma.
2. Create a Community Engagement Toolkit.
3. Showcase Global Education at a June 2013 event and through other communication channels.

National Advisory Committee

To ensure that we are using best practices and are in step with what is happening nationally there will be periodic consultation with a National Advisory Committee:

Kate Berseth

Education First

Bill Hiller

Martha Holden Jennings Foundation

Jennifer Manise

Longview Foundation

Cary McCall

Special Advisor to the President for Council on Foreign Relations

Martin Riant

Group President of Global Baby Care for Procter & Gamble

Heather
Singmaster

Asia Society

Amy Westby

World Savvy

The World Affairs Councils of America will also be involved.

Working Groups

- Make sure that everyone can log into the Ning to view materials.
- Choose, edit and rank goals for your project and tape them to the chart paper.
- Choose a note taker to record next steps for the group and upload to Ning.
- Schedule a conversation before the December meeting. (conference call or meeting) to review goals and begin to generate options for meeting each one.
